This Schedule 14A filing consists of communications from Workhorse Group Inc. (“Workhorse” or the “Company”), to the Company’s employees, customers, partners and analysts relating to the Agreement and Plan of Merger, dated August 15, 2025, by and among the Company, Motiv Power Systems, Inc., a Delaware corporation (“Motiv”), Omaha Intermediate 2, Inc., a Delaware corporation, Omaha Intermediate, Inc., a Delaware corporation, and Omaha Merger Subsidiary, Inc., a Delaware corporation (the “Merger Agreement”).

The following communication was distributed by the Company on October 8, 2025:

1. What is the Workhorse Meeting about?

- Workhorse is holding its Annual Meeting of shareholders on November 12, 2025, in connection with the proposed transaction with Motiv and our ordinary annual meeting proposals.
- It is very important that Workhorse shareholders vote FOR all of the proposals so we can proceed with the Motiv transaction and provide shareholders the opportunity to participate in the upside of the combined company.

2. How do I vote for the Workhorse-Motiv transaction?

- You can vote by:
 - o Attending the Workhorse Annual Meeting virtually on November 12, 2025.
 - o Voting online at www.virtualshareholdermeeting.com/WKHS2025.
 - o Completing, signing, dating and returning a proxy card.
- If you are a beneficial owner of shares of Workhorse Common Stock, please refer to the vote instruction form provided by your broker, bank or nominee.

3. Can I vote my shares without attending the Meeting?

- Yes. If you’re a Workhorse shareholder as of September 18, 2025, you can vote by proxy by following the instructions provided in the proxy card mailed to you, or online at www.virtualshareholdermeeting.com/WKHS2025.
- If you are a beneficial owner of shares of Workhorse Common Stock, please refer to the vote instruction form provided by your broker, bank or nominee.

4. What proposals do I need to vote on at the Workhorse Annual Meeting? Do I need to vote on all of them?

- There are nine proposals up for a vote at the Workhorse Annual Meeting.

- In order for us to complete the transaction with Motiv, we need Workhorse shareholders to approve all of the proposals in connection with the Meeting.
 - Follow the instructions provided in the proxy card mailed to you or visit votewkhs.com for instructions on how to vote FOR all of the proposals at the Workhorse Annual Meeting.
-

5. Why is the Workhorse-Motiv transaction good for Workhorse shareholders?

- The combination will provide Workhorse shareholders the opportunity to participate in the upside of a leader in the medium-duty EV commercial vehicle market, with a significant ownership stake in the combined company.
- Workhorse also believes the actions to strengthen the combined company's financial position will create opportunities for margin expansion and provide greater flexibility to pursue future growth initiatives.
- Further, Workhorse and Motiv expect to have more scale and the ability to operate more efficiently, enabling the combined company to compete more effectively with the industry's pure-play electric and legacy OEMs and also capitalize on new opportunities to serve more customers.

6. Why should I vote for Workhorse directors if they are going to be replaced once the transaction closes?

- In order to complete the transaction, we need to remain compliant with our NASDAQ listing and therefore elect a slate of directors in the normal course at the Workhorse Annual Meeting.
- As such, we need your vote FOR all proposals that are being brought forth at the Meeting, including the election of Workhorse directors.

7. Who is going to be on the new Board once the transaction is complete? Will it mostly be Motiv directors? When do I vote for that?

- The Board will be appointed upon completion of the transaction, as described in the merger agreement and our SEC filings.
- The Board will comprise seven directors, five of whom will be designated by Motiv and two of whom will be designated by Workhorse.
- The specific individuals who will serve on the go-forward board have not yet been disclosed. That board will be up for election at the combined company's next Annual Meeting.
- In the meantime, we need shareholders to vote for Workhorse directors who are up for election so we can complete the transaction.

8. What is the deadline for getting my vote in for the Workhorse Annual Meeting?

- Votes must be received at the Workhorse Annual Meeting or in advance of the Meeting, which is scheduled for November 12, 2025.
- It is imperative that shareholders vote on all proposals, including those Annual Meeting proposals not related to the transaction with Motiv, to ensure that Workhorse can complete the transaction.

9. Why is Workhorse doing a reverse stock split?

- A reverse stock split will likely be necessary in order to ensure Workhorse complies with Nasdaq initial listing rules and meets a minimum share price.
- This would enable Workhorse to complete its transaction with Motiv, create a leading North American medium-duty electric truck OEM, and provide Workhorse shareholders the opportunity to participate in the upside of the combined company.

10. When would the Workhorse-Motiv transaction be completed?

- The transaction is expected to close in the fourth quarter of 2025, subject to Workhorse shareholder approval and other customary closing conditions.

11. What if Workhorse shareholders vote against the transaction? What happens to Workhorse if the transaction isn't completed?

- If the transaction does not close, Workhorse will have to continue as an independent company. It will not get access to the financial resources this transaction would provide and shareholders would not have the opportunity to participate in the upside of the combined company.
- We are excited about Workhorse's future with Motiv and focused on completing the transaction.
- We are confident that Workhorse will complete the transaction with Motiv and look forward to providing Workhorse shareholders the opportunity to participate in the upside of the combined company.
- Until the transaction closes, Workhorse will continue to operate as an independent company, just as we always have.

12. Will Workhorse file for Chapter 11 or go bankrupt if the transaction is not completed?

- As noted in our proxy filings, if Workhorse is not able to complete the transaction, we may not be able to satisfy the obligations under our financing arrangements and may be unable to obtain additional financing, which could cause our results of operations and financial condition to suffer and may force us to pursue bankruptcy.
- If Workhorse shareholders vote for the transaction, they can have the opportunity to participate in the upside of the combined company.

13. Is Workhorse only doing this transaction so its executives can get paid?

- Workhorse is doing this transaction to maximize value for its shareholders and to strengthen its near- and long-term financial positions.
- Workhorse also believes the actions to strengthen the combined company's financial position will create opportunities for margin expansion and provide greater flexibility to pursue future growth initiatives.
- We are confident that we will complete the transaction with Motiv and look forward to providing Workhorse shareholders the opportunity to participate in the upside of the combined company.

14. What will happen to Workhorse's stock if it can't complete the reverse stock split and merger?

- Approval from Workhorse shareholders to effect a reverse stock split is necessary to comply with Nasdaq listing standards, which is a requirement to completing the Motiv transaction.
- By voting FOR the reverse stock split and all of the matters up for election, Workhorse shareholders can participate in the upside of the combined company.

15. What will happen to Workhorse's stock if shareholders don't elect the current directors that are up for election as part of the Annual Meeting?

- Workhorse shareholders need to elect directors so the Company can comply with Nasdaq listing standards, which is a requirement to completing the Motiv transaction.
- By voting FOR the reverse stock split and all of the matters up for election, Workhorse shareholders can participate in the upside of the combined company.
